SUMMARY

AI automation and operations professional with 8+ years of experience streamlining workflows, managing CRM platforms, and building automated systems that save time and reduce manual work. Builds, tests, deploys, and documents automations independently using Zapier, Make, n8n, and GoHighLevel, with hands-on AI tool implementation using ChatGPT and Claude for operational use cases.

CORE SKILLS

Workflow Automation (Zapier, Make, n8n) · CRM Automation (GoHighLevel, HubSpot) · AI Tool Implementation & Prompt Engineering (ChatGPT, Claude) · Process Mapping & SOP Documentation · Operations Management · Client & Vendor Communication

EXPERIENCE

Operations Manager — Summit Glazing Solutions Inc.

Feb 2022 – Feb 2026

- Identified manual and repetitive operational bottlenecks and implemented systems to streamline scheduling, client communications, and project tracking workflows.
- Managed and maintained CRM platforms to automate client follow-ups, update records, and ensure full operational visibility across multiple active project sites.
- Served as the central point of communication between clients, suppliers, and field teams, keeping all parties aligned in real time.
- Documented operational procedures and built repeatable systems that reduced dependency on manual oversight and improved team accountability.
- Recruited, onboarded, and briefed field staff while maintaining accurate records of schedules and assignments within CRM platforms.

Department Manager — SM Retail

2017 – 2020

- Rebuilt the entire department schedule from scratch after identifying coverage gaps, improving floor coverage and increasing sales.
- Managed a team of 50 to 70 staff with structured processes for delegation, performance monitoring, and daily operations.
- Trained staff on operational procedures and service standards using documented workflows the team could follow independently.

Relationship Manager — UnionBank of the Philippines

2016 – 2017

- Managed a portfolio of retail and business banking clients with detailed records of interactions, needs, and follow-up actions.
- Proactively identified client needs and delivered tailored financial solutions, maintaining strong retention rates.
- Handled sensitive client concerns efficiently, escalating when necessary while keeping clients informed throughout.

Registered Financial Advisor — BDO Life Assurance Company, Inc.

2013 – 2016

- Handled high-volume inbound client consultations, identified needs, managed objections, and closed sales consultatively.
- Consistently met and exceeded sales targets through proactive follow-up and accurate record keeping.
- Built long-term client relationships by understanding individual goals and delivering tailored recommendations.

EDUCATION

BS, Major in Human Resource Management

Trinity University of Asia, Quezon City · 2013
